Score Activo

The Score Activo is an active seating solution for prolonged use. The Score Balance mechanism provides an adjustable, subtle movement of the seat, keeping the body automatically active while working. The wider seat with Alcantara[®] upholstery ensures long-lasting comfort and is available in three height variants. The base is made from 65% recycled material.

- Ⓢ Active and comfortable seating
- Ⓢ Stimulates a dynamic sitting posture
- Ⓢ Unique Score Balance mechanism with adjustable resistance
- Ⓢ Suitable for prolonged use
- Ⓢ Alcantara[®] upholstery for extra comfort and grip
